

## shed control shampoo (concentrated type, for dog's coat damage, for dog)

lemon balm & sage fragrance

plant-derived ingredients are combined with WAHL (Wahl) shed control shampoo. It soothes and washes away dirt from your dog's coat (split ends, broken hair, etc.). The lemon balm & sage & aloe natural extracts make your dog's bath time enjoyable. PEG-80, alcohol, parabens, etc. are not used. It is a gentle shampoo for your dog's pH balance.

### usage

1. Before using, brush your dog's coat well.
2. Wash with lukewarm water.
3. For the concentrated type, apply a small amount of shampoo to your hands, massage from head to tail, and lather.
4. Wash with lukewarm water until the foam disappears. Dry with a towel.

### usage notes

● Do not use for purposes other than intended ● Do not use on cats ● Do not use on infants ● Do not use on dogs with skin conditions ● Do not use in high humidity or near open flames ● Avoid direct sunlight ● Store in a cool, dry place ● Do not use if you notice any abnormality on your dog's skin ● Use only on the coat ● Do not get in the eyes, mouth, or ears ● If liquid gets in the eyes, wash immediately ● If you have an allergic reaction or other abnormality, stop using and consult your veterinarian (pet) or doctor (human).
